A NEW PAPER AT SHELBYVILLE,-We have received the prospectus of a newspaper about to be started at Shelbyville by Thomas B. LAIRD. It is to be called the American Union, and, as its name indicates, will be devoted to the interests of the Union cause. It will be edited by a gentleman who is well qualified for the task. The first number will be issued between the 10th and 15th of April. Terms, \$2 a year, in advance. Communications and remittances intended for the paper must be addressed to Thos. B. LAIRD, Publisher.

The Alexandria Gazette truly says the present is emphatically the carnival of exaggeration-people are living in apprehensionand consequently can be made to believe anything. "THE UNLOVED ONE."-On a sheet of letter paper which we have just written down to in a half-ream of the article, is the following sad confession, written in a small, delicate hand in pencil:

"With a heart formed for love, I am chained to a being who cannot appreciate the sentiment, and in a distant clime I mean to seek the happiness denied me in this."

It would n't surprise us much if some gentleman residing in the vicinity of a paper mill has lost his wife.

A GREEDY FELLOW .- We learn that the Sheriff of Lewis county, a married man, recently eloped with a couple of girls, sisters, and left his wife and children to take care of

that the aforesaid Sheriff was not so greedy, after all, as he took along with him his eldest son as a mate for one of the girls.

And the lady herself, being grand-mother to her children and nephews, may be regarded as mother to herself and child to herself, and therefore her own grand-mother.

SATISFACTION.-We are assured that Mr. Morron, at No. 21 College Street, has given satisfaction to all of his numerous patrons in the picture business, which is saying a great deal, when we recollect the immense crowd that has patronized him in the last few days. Don't fail to give him a call if you want a good likeness of yourself or any of your An immense seizure of counterfeit

at Chicago. A well-to-do man went to an intelligence office, saying that he wanted a wife, and would like to try her first as a servant. He paid \$3 down, and agreed to cash up another \$7, if he married the girl. He soon married, and then refused the \$7 owing; hence the suit.

Rabway's Ready Relier conquers pain, arrests fever, subdues spanns, restores suspended animation, and is the only stimulant in existence that repels at the outset all attacks of disease, affording time to prevent the return of the paroxyism by means of Rad way's Regulating Pills. The great offect of primary medication is to meet the first shock of a disorder with a powerful counterworking influence. medication is to meet the first shock of a disorder with a powerful counterworking influence, and thus prevent prostration. If the vital power can be sustained until the cause of sickness is removed by purgarion of the bowels, and an equalization of the circulation, a cure is certain. This grand object is accomplished by the Ready Relief, which should therefore always be at hand to meet emergencies.

RADWAY'S RECULATING PILIS empty the obstructed bowels without pain, act specifically upon the liver, and at once purify and nourish the blood and restore the equilibrium of the circulation. Without risk of the after-consequences of Calomel, Blue Pill, Quinine, Potash, or Iron, they at once expel all morbid matter from the system and recruit its energies—acting as a purgative, alterntive, and stomachic. In these effects vegetable medication has its perfect triumph.

RADWAY'S RENOVATING RESOLVENT Has annihilated by its cures the theory of transmitt isease. It eradicates hereditary Throat and Lung diseases and Scrofula; and is the natural and irresistable antidote to the virus which produces Running Sores, Boils, Abscesses, Cancers, Salt Rheum, Erysipelas, Ear Complaints.
